

Courses offered in foreign languages by the Department of Economics (DIEC)

This list provides an overview of courses offered in foreign languages (mainly English) by the Department of Economics of the University of Genova.

Label B (UG) indicates classes at the undergraduate level, while the label M (G) is associated to graduate level classes.

The column ECTS shows academic credits associated to the course, while the column hours indicates the overall workload in hours.

Courses from other departments can be found here: <https://unige.it/en/off.f/2022/ins/index>.

Latest update: 3rd October 2022
